

Mega Days 2021 - Returning Counselor Application

This application is for students who have previously served as a Mega Days counselor. Mega Days is planned for June 1-5, 2021.

You can turn this form in to the youth box (in Refinery, across from the HS Room door) any time before April 18.

Your Name: _____ Current Grade: _____ School: _____

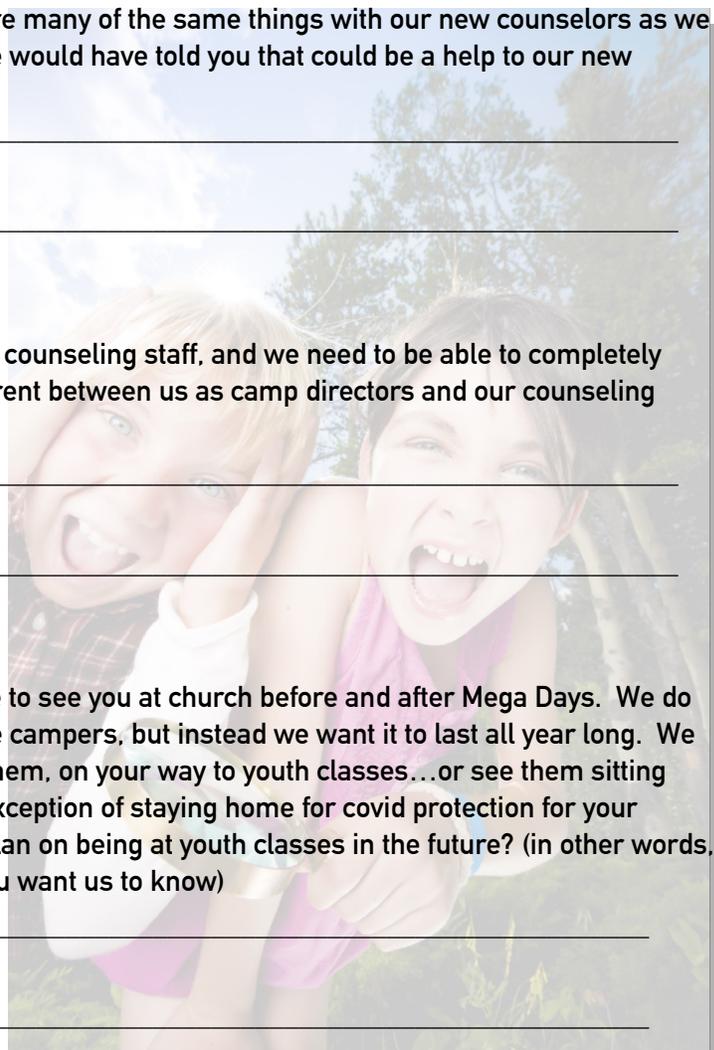

Why would you like to be a counselor at Mega Days again this year? _____

We always want to make Mega Days better. Thinking back to your time at Mega Days, both as a camper (if you went as a camper) and as a counselor, what are some changes/improvements we could make this year? This includes any problems that need to be addressed as well as things you think we could do differently.

When we begin our counselor training for this year, we'll share many of the same things with our new counselors as we shared with you two years ago. Is there anything you wish we would have told you that could be a help to our new counselors?

To be a successful camp we need the complete respect of our counseling staff, and we need to be able to completely trust our counseling staff. Is there anything we could do different between us as camp directors and our counseling staff to promote respect and trust?

It is important for campers who come to Mega Days to be able to see you at church before and after Mega Days. We do not want it to just be a one-week connection you have with the campers, but instead we want it to last all year long. We want you to be able to drop by their Bible class and say hi to them, on your way to youth classes...or see them sitting with their family in worship and you go say hi, etc. With the exception of staying home for covid protection for your family, have you been at youth classes regularly and do you plan on being at youth classes in the future? (in other words, are you involved? Feel free to elaborate or tell us anything you want us to know)

Any other thoughts/suggestions/comments/recipes for chocolate chip cookies you would like to share with us regarding Mega Days?

Tell us about your current relationship with God:

Have you been baptized? If you have not, are you thinking about it? Tell us more. (There are no wrong answers here.)

Please read the following and circle yes or no:

-Again this year, we will have some counselor training that all counselors are required to go through. These will likely be on Sunday afternoons before Life Groups in late April and early May. Will you attend these training sessions?

Yes No

-Are you still willing to help with group games, up-front singing, skits, activities, etc? Yes No

-Are you still willing to spend time preparing for camp by writing a letter to each of the students in your group before camp? Yes No

-Are you still willing to spend time studying and gathering supplies for Bible lessons? Yes No

-Are you still willing to work with us to prepare for activities at camp? Yes No

-Are you still willing to put the needs of 3rd-6th graders in front of your own needs for the week of Mega Days? Yes No

-Are you currently doing your best to live a Christ-like life? Yes No

-Is there anything in your life (behavior, attitude, hidden sin, profanity, immoral behavior, use of alcohol/tobacco, etc) that would keep you from being a great example to our elementary students? Yes No
